Workshop Proposals are Open

Every workshop at SUUSI is volunteer-led. Leading workshops is a great way of sharing your skills and interests, defraying costs, and making new friends! Workshops proposals and Sports & Games proposals are now being accepted in [SOLIS](#). Log in with your account and you can't miss it!

You'll be asked to describe your workshop idea and your previous experience leading workshops (don't worry if you haven't led a SUUSI workshop yet--we all started somewhere!). You'll choose a time preference and estimate any costs. If your proposal requires a van, submit it by November 9. Don't procrastinate. All proposals are due by December 21, and the holidays do get busy.

If you have questions or want help with the proposal process, please contact the workshop coordinator at beth.nicholson@suusi.org. That is the ONLY reliable method of communication!

People always enjoy group sports events at SUUSI, but it's important to know they have been folded into Workshops now. If you would like to lead a game of kickball, softball, ultimate frisbee, etc., you just submit it as a workshop proposal. Participants will register as they do for traditional workshops, and the leader can request reimbursement for expenses and earn some workshop leader credit. Sessions for teaching and/or playing board games, card games, role-playing games, etc. can also be submitted as workshops; you can send an email to games@suusi.org to see if it's a good fit for Pair-a-Dice, SUUSI's dedicated gaming space.

Communications News

We are in the process of a big redesign of the SUUSI website. We want our online home to be welcoming to new folks and to contain all the information we need in an easy-to-find format. If you'd like to help test the new site, contact rik.schell@suusi.org.

Our intent is to make big improvements in the way the online catalog displays this coming spring, and to make registration easier for everyone. But as with any change, there will be glitches along the way. Please email communications@suusi.org if you see problems that need fixing, or if you have something that needs to go in the NUUS.

OUTREACH CORNER

Want to make short videos showing what SUUSI is all about? Want to pitch in on one of our social media platforms? Interested in pitching SUUSI to your congregation, affinity group, or just your bunch of friends? We are updating our outreach material, and will have it ready before long for those who want to be SUUSI Ambassadors and media mavens. If you haven't already, contact outreach@suusi.org and we'll make sure to get back to you as soon as we finalize our media kit!
